Whatever your home's style, Pella has a wood entry door to match. Choose from the warm elegance of Mahogany or the unique character of Rustic Walnut. Both feature a variety of options – including panel styles, decorative glass, grille patterns, prefinish stains and more – that let you customize your wood entry door to perfectly complement any style.

Naturally beautiful.

Pella's premium wood entry doors are the perfect way to say "welcome." They are designed to harness the earth's handiwork – and since no two pieces of wood are identical, Pella's wood entry doors are each uniquely one of a kind.

Exceptional from start to finish.

Our exclusive factory prefinishing process features translucent pigments that allow the natural beauty and variation of the wood to shine through.
